F-35 WASH KIT

Provides reusable wash covers, removing the need for one time use "Barrier Paper". Wash Kit includes lint free non-abrasive lined canopy COVER and individual covers meeting all JTD required locations. Wash Kits are designed for compact easy storage in our Opticase Utility cases. Sealing tape organized using our HDFI inserts with engraved text/art.no. Each cover comes laser marked with kit ID and item number for optimized tool control. Organized in wheeled OPTIcase to allow ease of movement between any wash locations at home or deployed.

Kit is custom fitted to F-35 A and C models.
Additional covers to fit model B are able to be fabricated to specification at customer request.
