EOR KIT F-35

AVIATION END OF RUNWAY KIT

END OF RUNAWAY KIT F-35

Comprehensive, durable, and compact, the **EOR** (End of Runway) Kit is supplied in a rugged Peli™ carrying case designed for rapid deployment and field use. The case is organized with our custom HDFI inserts for optimal protection, accessibility, and quick inventory verification.

Each kit includes the following items, custom-fitted within the case:

- 8 ea. rechargeable lithium-ion flashlights
- 1 ea. 12V power supply, enabling in-vehicle charging during EOR operations
- 2 ea. marshalling cones for night operations
- 2 ea. T-handles
- 2 ea. IR thermometers
- 2 ea. needle-nose pliers
- 1 ea. vehicle strobe light with remote

Laser etching for tool identification, artwork, and unit or squadron patches is available upon request.

Built to withstand demanding operational environments, the **EOR Kit** for F-35 aircraft ensures that ground crews have all essential tools organized, protected, and mission-ready — whenever and wherever required.
