

FLEXUNIT XL TRAILER

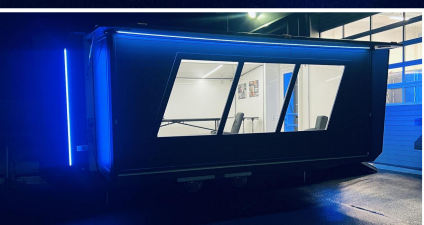

3 in ONE solution / 28m² (300 ft²)

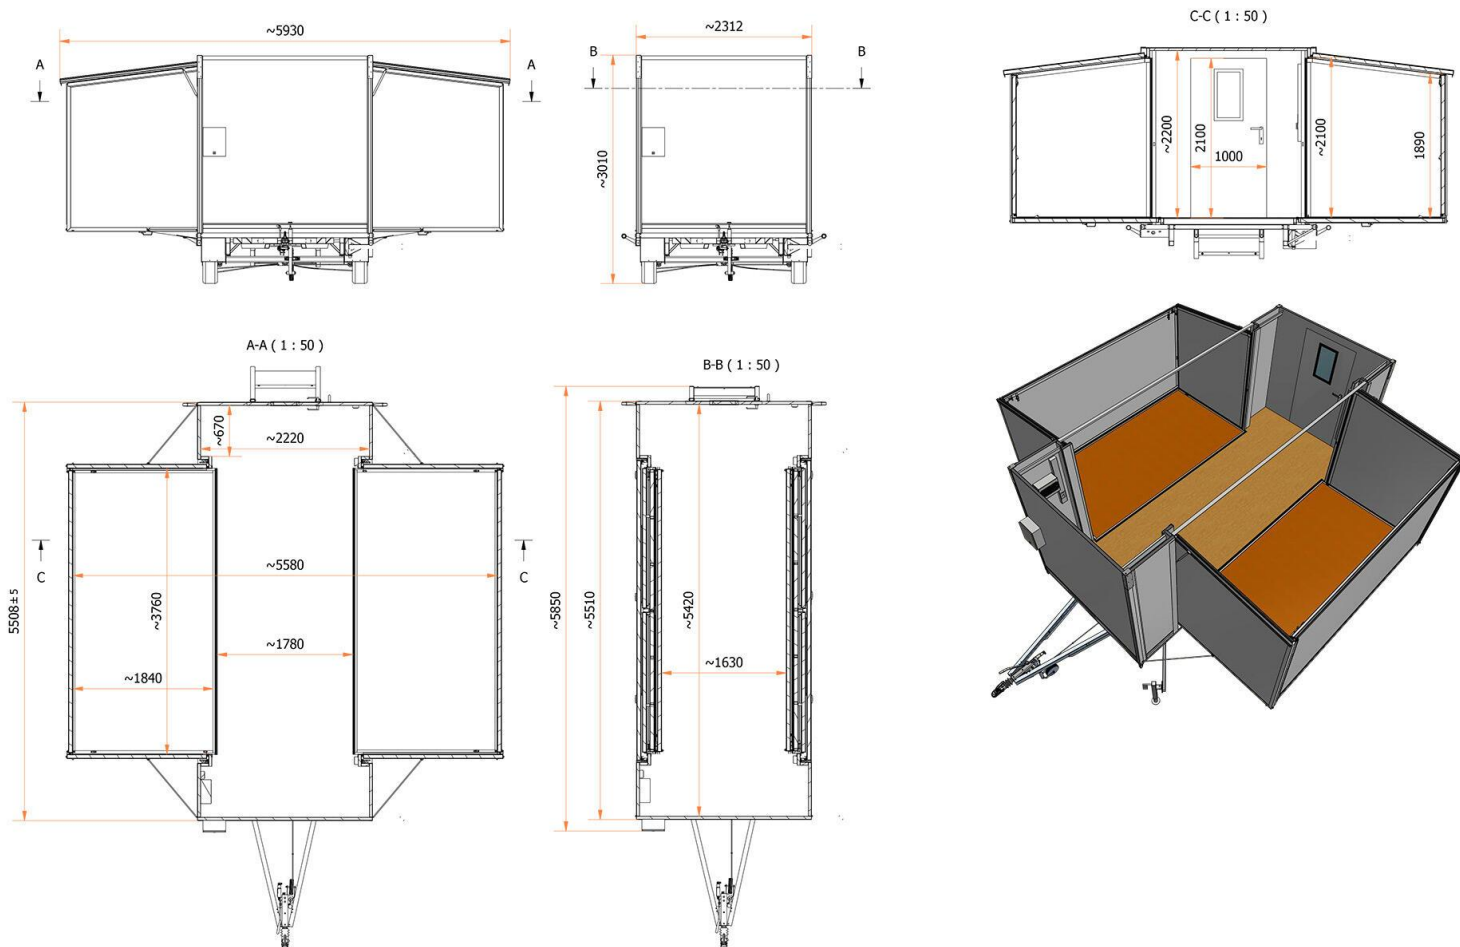

The mobile **FlexUnit XL trailer** is a full-scale model offering an impressive **28m² (300 ft²)** of space with a sleek, modern design – a **3-in-1 solution**. It expands within minutes and can be driven with a standard BE driving license (Europe). The trailer is easy to tow with a van, SUV, or pickup truck.

With a load capacity of 600–700 kg and 9 m² (96 ft²) of storage space in transport mode, it's ideal for transporting equipment.

Flexible usage across various segments – the possibilities are endless!

The trailer can be delivered in a standard version or customized to meet specific needs.
